Description of space:

Bedroom or Office

A twin or double bed will easily fit in the bedroom. A queen bed would fit in the corner. Or, as an office, there is space for a desk large enough for 2 computer screens, computer and printer and a file cabinet in the corner. One closet has shelves and the other is a short clothes closet.

Bathroom

Full-size shower stall, toilet and a linen cabinet under the sink. There is a full height clothes closet.

Kitchen

Full-size. There is plenty of cabinet and counter top space. There is even a shelf for a microwave.

Living room or Dining room

A comfy chair, couch, side table and a small TV table will fit in the living room. Or, as a dining room, there is space for a table and chairs for six people.
